**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, it is  
respectfully requested that this Supplemental Information Disclosure Statement be  
entered and the documents listed on attached Form PTO-1449 be considered by  
the Examiner and made of record in the present case. Copies of the pertinent

portions of the listed documents are enclosed for the convenience of the Examiner, as required by 37 C.F.R. § 1.98(a)(2).

In accordance with 37 C.F.R §§ 1.97(g),(h), this Supplemental Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).

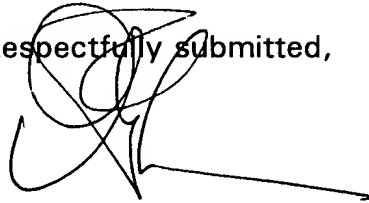

The documents listed on the enclosed Form PTO-1449 are the international equivalents of the parent file, U.S. Serial No. 07/565,844, filed August 9, 1990. A complete copy of WO 91/02071 is not included herewith as this document is substantially the same as U.S. Serial No. 07/565,844, currently undergoing examination in Group Art Unit 1804. For the convenience of the Examiner, a copy of the title page, claims as filed in the PCT, and the International search report for WO 91/02071 are enclosed herewith.

It is believed that there was no published document under EP 0,485,506, as the prior PCT publication takes the place of the EPC publication pursuant to Article 158(1) EPC and Article 21 PCT. A copy of the corresponding EPO Notice is enclosed. The Notice states that the bibliographic data is to be published in Section I.1 of the European Patent Bulletin on May 20, 1992.

Due to the status of the present application as a continuation-in-part of U.S. Serial No. 07/565,844, Applicants believe the Examiner to have already considered the information in the above references in the context of this application. No fees

are thus believed to be due in connection with the filing of this Supplemental Information Disclosure Statement. However, should a \$210.00 fee be deemed necessary to formally make these documents of record in the present case, the Commissioner is hereby authorized to deduct said fee from Arnold, White & Durkee Deposit Account No. 01-2508/DEKM:055/PAR.

Respectfully submitted,

A handwritten signature in black ink, appearing to be "D. L. Parker", with a long horizontal stroke extending to the right.
